Before completing the form below please read the following information about the Southern California Live Steamers, Incorporated and retain this portion for your records.

The Southern California Live Steamers, Incorporated, has been in existence since 1948. The mission of the Southern California Live Steamers is to educate and promote interest in railroad history by building and operating a miniature railroad facility. It is a non profit organization whose purpose is to bring together persons: building live steam locomotives, that are owners and operators of live steam locomotives, who own or operate prototype diesel or electric locomotives, which are interested in scale miniature railroading as a hobby, or willing to contribute to the operation of the Southern California Live Steamers, Incorporated.

Before a person can join the club, attendance at two club meetings is required. The business meeting is held on the third Saturday of each month in the clubhouse building in Wilson Park, Torrance, California, beginning at 10:30 AM. There is no business meeting held in December. Annual dues are \$40 per year and are payable in November.
